Dear Recruiter Manager

As a way to demonstrate my appreciation to Etihad Airways, a brand that has been built up by hard working, profesionalism and dedication, I decided to apply for the position of flight attendant.

I consider myself as a person with very high standards taking great pride of my appearance and how I present myself, and also my ability to work with others closely in order to achieve a team's objective.

Over the years, I am sure, I have gained plenty of experiences and expertise skills that will benefit the team in my work as a cabin crew with the best airline in the world, Etihad.

I fully understand how important is to provide consistently exceptional service, to follow always the airline's rules, procedures and strict safety standards, as a way to be entirely representative of the strong Etihad Airways brand.

Please find attached my cv for additional details regarding my expertise.

Looking forward hearing from you.

Kind regard

Sincerely,

Anabella Maturano.
